**DECLARATION**

I agree to melt the metal for purity testing and acknowledge that losses may occur during this process due to dirt, dust, or other volatile impurities.

I understand that if the metal is taken back by me or returned by the company for any reason before or after melting, but prior to exchange or billing, it will not be returned in its original form or weight.

Jewelbox shall not be liable for any damages or losses incurred due to dirt, impurity, or any other reason.

I further declare that I am the rightful owner and/or am authorized to exchange the metal. I confirm that I have read and understood the terms and conditions of the program and agree to proceed accordingly.

I agree to all the above terms and conditions.
